

## REINTEGRATION PLAN

### ACTION

### PLAN

#### PROTOCOL

- Equipment wiped down with disinfectant wipes at the start and end of every class.
- Temperature checks conducted for participants and coaches at the start of class.
- Coaches will have scheduled Hand Sanitation before, during & after class.
- Coaches will be provided with face masks.
- Weekly staff wellness checks are conducted for coaches.
- Any employee that displays symptoms will be quarantined for a minimum of 14 days.  
Clearance from a health care professional will be required before returning to work.
- Parents/customers will be notified in the event that a participant has been exposed.  
Parents/customers must notify Super Soccer Stars if a child develops symptoms.

#### CLASS FORMAT

- **Limited Class Size based on each locations requirement**  
Physical class size will begin at level 2 (1:1), with a gradual increase to level 5, class fill of 12 participants (standard Soccer Stars ratios apply). Dependent on CDC & LHO recommendations.
- **Zonal Play**  
Children will stand & play on their own place marker which is placed 6ft away from other kids & coaches.
- **No multichild activities**  
Focus on individual skill development. No partner play, group or team activities
- **No Physical contact**  
Coach will use verbal specific labeled affirmation in addition to non-verbal ways to celebrate with the children. e.g. virtual high 5/fist bumps, thumbs-up and clapping

#### PARENTAL/SCHOOL RESPONSIBILITIES

- **Spectator Restrictions**  
Spectator attendance reduced to one caregiver per family, all will be required to stand 6ft from each other.
- **Parents/Teachers responsible for bringing hand sanitizer.**
- **No use of public water fountains.**  
Parents/children/coaches will bring their own water bottles.
- **Participants will be required to wear a mask prior to and immediately after class.**
- **High risk individuals encouraged not to attend. (e.g. asthma, high blood pressure)**
- **Children & parents with exposure to COVID-19 must report and follow CDC/DPH guidelines.**
- **If your child is sick, stay home.**

#### EQUIPMENT

- **Participants Required to bring their ball.**  
Those that do not have a ball will be provided a labelled ball.
- **No use of pinnies, stickers, tunnels, or the Parent & Me dolls.**
- **No issuing of name tags in class.**  
Virtual stickers will be provided.

#### ADVISORIES

- **Increased time between classes.**  
10 min between classes to allow participants to leave/enter playing area.
- **Coaches will remind children not to touch their mouth, nose, and eyes.**
- **Coaches will cover mouth & nose with a tissue when sneezing or coughing followed by washing hands.**
- **Coaches & parents to report any unsanitary conditions at a class location.**
