Beginner's T'ai Chi Chih® (Non-Martial Art)

T'ai Chi Chih is a gentle, mindful, moving meditation with many health benefits that may be taught seated as well as standing. This particular form is adopted by UCLA for research, demonstrating its effect on helping to increase immunity, improve sleep quality, and decreasing the symptoms of depression. It is widely accepted that T'ai Chi improves balance and lowers high blood pressure. Because of its effectiveness, this moving meditation has recently been written about in The New York Times, AARP National Magazine, and many other publications. Learning T'ai Chi Chih would be an excellent way to commit to improving your health and increasing your happiness now.
